These unretouched photos of a silicone skin replica show the amazing results using TIME DEFIANCE Intensive Repair Serum after only 14 nights. A silicone skin replica is an actual impression of the skin used to measure improvement in the number and depth of fine lines.

## Questions and Answers

### Q. What does skin clarity mean?

**A.** All skin has a certain appearance. Clarity is defined as this appearance, with one end of the clarity scale being dull-looking skin and the other end being luminous-looking skin. As one ages, the outer layer of the skin is compacted, diminishing clarity and making the skin appear gray or ashy. Improving skin's clarity helps alleviate this appearance, making skin more luminous. Intensive Repair Serum helps to improve skin clarity by 261%.

### Q. If I don't use a whole vial of Intensive Repair Serum, can I use the rest of it the following night with the same results?

**A.** The recommended use is one entire vial of Intensive Repair Serum per night for maximum benefits to the skin. Each vial contains enough serum to completely cover the face and neck area. If there is excess product, it is recommended for use on the chest.

## Scientifically Advanced

Only ARTISTRY TIME DEFIANCE Intensive Repair Serum contains an exclusive, patent-pending formula that renourishes and repairs the appearance of your skin in just 14 nights. **GUARANTEED.**

The scientific breakthrough comes from the Deep Nourishing Action Complex. It contains four key ingredients that repair and protect your skin. A powerful restorative enzyme boosts skin's natural ability to repair past damage, while other key ingredients fight free radicals and protect skin's collagen.

The results are revolutionary – 261% improvement in skin clarity, 99% reduction in the appearance of fine lines, and 83% improvement in skin smoothness.

## Testimonials

### What if?

I was intrigued by the claims being made about TIME DEFIANCE Intensive Repair Serum. So I asked myself, "What if this product works and I didn't try it?" And, "Why not try it with a money back guarantee?" I did, and the fine lines around my eyes and down my cheeks seemed to be disappearing before my eyes!

### Fired up!

I'm truly fired up about all of the ARTISTRY products. But I'll never buy skin care products from anywhere else after using the 14-night TIME DEFIANCE Intensive Repair Serum. My friends and family say that I look at least 10 years younger than I did before! I even get compliments from strangers on how youthful I look.
